Clayton to Ride at New Orleans.

NEW ORLEANS, La., Feb. 23.—A. Clayton was today engaged to ride for C. C. McCafferty during the remainder of this meeting.

NOTES OF THE TURF.

There are still some unpaid tickets over the Palmerston race at San Francisco. They are from Tom Walsh's St. Louis room and their holders allege that Walsh gives as his excuse for not paying them, the general law against gambling—an ungraceful plea from such an experienced operator as Walsh. A better one may well be found or else the tickets should be paid. If for such a reason the bets are vitiated, the reasoner is also in bad standing under the Criminal Code.

For the four months ending with May last there are no fewer than 102 different steeplechase meetings advertised in England, consisting of 145 days. With an average of six races a day, this means that close to 800 jumping races take place inside of four winter months.

In P. Dunne, the brother to Red Banner, Hugh McCarren evidently has a really good colt. One of his hind legs is said to be under suspicion. The colt favors the mud. He is named after the man whom McCarren with a host of other turf men reasonably love, Pat Dunne.

Tenny has been returned to the Haggin ranche in California and will do duty as a sire at the Beaumont stud in Kentucky this year.

The Brooklyn Jockey Club announces the Broadway stakes of \$5,000 for 3-year-olds, to close March 1, for the spring meeting.

THE AMERICAN SPORTING MANUAL

The American Sporting Manual will be ready for delivery Saturday at 35 cents in paper and 50 cents in leather covers. It is a handsome book of pocket size. You can bet on its figures. It has all records up to January 1, 1897, and specially covers those of the running turf. There are two handicap tables within its covers. The figures on two sets of entries are given as illustrations to the tables. The book contains all track records, track speed and comparative speed applying to the handicap tables, and all the sporting records of 1896. Among its contents is a full list of the fights of 1896.
